JOHN TAYLORS
EST. 1859

An extremely spacious Grade II* listed late Georgian property situated in the Conservation Area of Louth & forming the end of a row of four grand terrace townhouses. This elegant house is conveniently positioned for the centre of the town and benefits from ample off street parking including a double garage located to the rear of the property. The house is spread over four floors and offers versatile rooms with the principal accommodation including four reception rooms, bespoke kitchen, six good size bedrooms & two large bathrooms. In the lower ground floor the accommodation includes a living room, kitchen/utility, bedroom and WC making it ideal for annexed accommodation or for supporting daily family life.

Location

The property is positioned adjacent to the magnificent St James' Church and is conveniently situated close to the centre of the historic Georgian market town of Louth, which is nestled on the edge of the Lincolnshire Wolds a "Designated Area of Natural Beauty". The town has a population of approximately 17,000 and enjoys a thrice weekly open market, independent shops and national retailers, three supermarkets, leisure centre, two golf courses, cinema and theatre and is situated some 25 miles north-east of the city of Lincoln and some 16 miles south of the town of Grimsby.

Entrance Hall

Comprising a six panelled front door with fanlight over and a Doric and Tuscan column door case porch, ornate cornicing to high ceilings, picture rails, flagstone floor, and elegant staircase leading to the upper floors as well as down to the basement.

Lounge

This elegant reception room has ornate cornicing to the ceiling, picture rails, Regency style marble fire surround housing a multi fuel burner, built-in alcove cupboards and shelving, tall sash window to front elevation with splayed panel reveals, Edwardian style column radiator, ceiling rose and an early Victorian retained painted mural. Maximum depth and minimum width measurements. 16'4" x 14'1" (5m x 4.3m)

Kitchen Diner

Originally two separate rooms, the kitchen area includes a fitted range of hand painted wall and base units having solid wood block work surfaces and tiled splash backs, central island unit also with woodblock worktops. There is a stainless steel sink and a range of built-in appliances, including a Britannia range cooker, Neff induction hob with extractor hood over, fridge freezer and Neff built-in microwave and dishwasher. There is a tall sash window overlooking the garden and beyond and limestone tiled flooring. An opening provides access to the dining room area which has a Regency style marble fire surround housing a multi fuel burner, built-in cupboards with glazed doors, cornicing and ceiling rose and picture rail to walls, tall sash window with splayed panel reveals and Edwardian style column radiator. Dining Area: 16'1" x 13'7" max (4.93 x 4.18m) Kitchen Area: 12' x 10'8" (3.67m x 3.32m)

Office

With feature fireplace having Regency style surround, tall sash window overlooking the garden, radiator. Maximum depth measurement. 11'3" x 10'9" (3.47m x 3.33m)

Lower Ground Floor

Originally, this would have provided the kitchen and storage facilities to the upper floor above and which could be utilised as a separate annex accommodation with its own separate rear access door from the garden.

Entrance Hall

With a cloaks storage area, radiator and raised stone slab, a survival from when this floor level was the servants domain and used as a kitchen and ancillary store rooms.

Living Room

With Venetian style window to front elevation, electric meter cupboard, radiator. Maximum width measurement. 15'4" x 13'1" (4.72m x 4.01m)

Kitchen/Utility Room

With a range of fitted wall and base units with hand painted doors, solid oak wood block work surfaces and Belfast sink, tiled splash backs, space for fridge freezer, integrated Hoover washing machine and under counter freezer, wood effect flooring, Venetian style window to front elevation, Edwardian style column radiator. and opening to a useful pantry area with fitted shelving. Minimum width measurement. 14' x 13'4" (4.28m x 4.11m)

Store Room/ Bedroom

Currently used for storage but could equally be used as an extra bedroom if required. Minimum width measurement.

10'5" x 7'5" (3.21m x 2.29m)

Cloakroom

With close couple toilet, wash basin, window to rear elevation, wood effect flooring and door to boiler room housing an Ideal Logic Plus Heat 30 gas fired boiler with adjacent pressurised hot water cylinder and timer control.

First Floor Landing

With arched shape elongated fixed panel window extending over two floors, staircase with mahogany rail continuing up to 2nd floor, large sash window to front elevation.

Master Bedroom

A spacious well proportioned master bedroom having a large sash window with splayed panel reveals, fireplace with arch shaped cast iron grate and Regency style marble surround, cornicing to ceiling, Edwardian style column radiator and door to bathroom. Maximum depth measurement. 16' x 13'6" (4.88m x 4.16m)

Bedroom 2

A spacious double bedroom having large sash window with splayed panel reveals, cornicing to ceiling, ceiling roses, fireplace with cast-iron grate and Victorian style corbel surround, Edwardian style column radiator. Maximum depth measurement.

16'3" x 13'6" (4.97m x 4.17m)

Bedroom 3

A further double bedroom with sash windows to rear and side elevations, Edwardian style column radiator. Maximum depth measurement.

11'3" x 11'1" (3.45m x 3.4m)

Second Floor Landing

With sash window to front elevation.

Bedroom 4

Further double bedroom having built-in wardrobes with mirrored doors and central dressing table, sash window and radiator. 16'4" x 14'4" (5m x 4.39m)

Bedroom 5

With sash window to front elevation and radiator. 16'4" x 13'7" (5m x 4.18m)

Bedroom 6

With built-in wardrobes and central dressing table, sash window to rear elevation and radiator. 12' x 11'3" (3.66m x 3.45m)

Family Bathroom

A large bathroom having freestanding central roll top bath positioned adjacent to window and enjoying superb views of Saint James' Church, walk-in shower cubicle housing thermostatic rainfall and hand held shower combo, wash basin with cupboards below, and having marble worktop and splash back as well as a mirrored cabinet over, WC, chrome heated towel rail / radiator, recess spotlights, extractor fan, and further sash window to rear elevation. Maximum width measurement. 11'3" x 11'2" (3.46m x 3.44m)

Outside

To the front of the property are concrete steps leading up to the raised ground floor entrance and having a balcony extending across the front with iron railings and handrails. The small front garden area is laid with low maintenance gravel. To the side of the property is a shared tarmac driveway (in the ownership of No.30) with gated entrance which leads around the back to the owned parking spaces which includes parking for a number of vehicles to the benefit of number 30. The rear garden comprises an attractive and sunny courtyard enclosed with high-level brick wall and having a stone flagged patio area which enjoys attractive views of St James' Church making it ideal for alfresco dining and barbecues. The borders of the courtyard are stocked with mature bushes, shrubs and trees. The courtyard also includes an outside cold water tap, lighting, a gate providing access to the garage and parking area behind as well as a useful timber built bin storage enclosure to side.

Double Garage

The coach style garage has twin double timber entrance doors providing access to a spacious garage which provides parking for two cars and includes lighting and power.

Services

The property is understood to have mains water, electricity, gas and drainage. Gas fired central heating.

Tenure

The property is understood to be freehold.
